Gentlemen:

The Illinois Environmental Protection Agency has reviewed your letter stating that the area and facilities covered under the subject NPDES permit have been reclaimed in accordance with 35 Ill. Adm. Code 405.109, thus no longer requiring a NPDES Permit on your behalf.

Based on a file review and all relative information available, the final decision of the Agency is to terminate NPDES Permit No. IL0052795 effective immediately.

Please be advised that should you wish to discharge to surface waters in the future, you must submit a complete application to this Agency a minimum of 180 days in advance of any discharge.

Should you have any questions or comments regarding the above, or need any additional information concerning Agency requirements, please contact Larry D. Crislip, P.E. at 618/993-7200 or the Marion address listed below.

Sincerely,
